Dedication

To you whose guidance, understanding and humor have helped make our Senior year important in every way, we dedicate this book. Accept the highest tribute a class may bestow as gratitude for being our . . . CHARLES BICKFORD.

Foreword

We will remember . . .

Big Teepee

Alma Mater

Once again, here as schoolmates assemble,
We fain would lift our hearts in song,
To our High School, our dear Alma Mater,
Let gladness the moments prolong;
We are proud of our lads and our lasses,
Of honors won in days gone by,
So here's a cheer for our old High School,
For our old High School, our dear "Old High"!

Here's to our classes
Here's to our lasses,
Here's to the lads they adore;
Here's to the Seniors, so "mighty",
Juniors so "flighty",
Fresies and Sophomores,
Let mirth and gladness,
Banish all sadness,
And as the days go by,
We promise you'll find us ready, earnest, and steady,
Boosting for Millcreek High!

Soon for us will the school days be ended,
The dreams of youth, that fade so fast,
But we know that the heart oft will ponder,
In mem'ry o'er scenes that are past;
There are joys that will long be remembered,
And friendships, too, that ne'er can die,
Then here's a cheer for our old High School,
Our Dear "Old High"!

The trend today seems to be to get as much as possible with the least effort. My advice to you is best summed up from an excerpt of a recent issue of the Lion's Magazine and I quote:

"A prominent salesman, now retired, summed up his success in three simple words: 'and then some.'

" 'I discovered at an early age,' he said, 'that most of the differences between average people and top people could be explained in three words. The top people did what was expected of them—and then some. They were thoughtful of others; they were considerate and kind—and then some. They met their obligations and responsibilities fairly and squarely—and then some. They could be counted on in an emergency—and then some.' "

Congratulations and best wishes for the future success of the members of the graduating class of 1953.

In these times peoples of the whole world grope and pray for some way of life which will give them, as groups and as individuals within the groups, freedom, liberty, happiness, and peace. This nation believes that a living democracy can offer these things. Schools must proceed courageously and creatively to teach the values of democratic citizenship through living.

It is necessary to make comparisons with schools of thirty-five or forty years ago to indicate more clearly the great strides that modern education has made. At that time only a small percentage of the youth of secondary school age were in school and these were interested primarily in the professions. Today, in addition to the mastery of the basic skills, popularly referred to as the three R's, the school is responsible for the development of a wide range of human skills, personality growth, and the like—all demanded by present-day living within a democracy.

Your school has attempted to help you to learn how to work together cooperatively, think critically, and gain knowledge of the past to help interpret the present and to prepare for the future.

I wish you happiness and success, and hope you may be of service to your community and nation.

There is no doubt that unsettled and uncertain times have left their mark upon the youth of our land. Often we need the pioneer strength and heart to realize that there are still myriads of frontiers in all phases of life. Somehow we lose sight of our own potentialities because of pessimism or despair. How proud we should be of our frontiersmen for their faith in the future and their ingenuity that led to our improved way of life.

Frontiers are by no means in the past; they are in the present and future and within our grasps. Just reach with an inquisitive mind and hold fast to faith, hope, courage, vision, and inventiveness. The results will astound even the doubting minds, and the frontiers that will unfold will enrich the lives of future generations.

National Honor Society

These eight members of the Millcreek Chapter of the National Honor Society are distinguished by a small gold keystone and torch, the national emblem of the club. Elected in their Junior year, these students represent four areas: Scholarship, Leadership, Service, and Character. The main function of the group is to plan and execute the induction ceremony for new members from the Senior Class. This impressive candlelight service was held March 23 in our school auditorium.

Catherine Evans was chosen president, Jean Boyd, vice-president, Harriet Merchant, secretary, and Dick Rowley, treasurer. All publicity was handled by Wallace Wiese. Jim Van Gem, Evelyn Middaugh, and Trudy Loomis formed the Assembly Committee. Miss Zuck was again the advisor.

To achieve membership in this club is the ambition of most Millcreekites. This honor is awarded to a select per cent of the top third of the class. Members elected in the senior year were Bradley Hindson, Don Hester, Don Godfrey, Rodney Beals, Joan Waidley, Ruth Edeen, Donna Kallenbach, Cynthia Norton, Catherine Gemler, Bette Smith, Faye Norwall, Virginia Mong, and Anita Kettenacker.

SENIOR CLASS OFFICERS

Standing: B. Smith. Seated, l. to r.: G. Shaw, J. Van Geem, G. Loomis.

Signposts Along Big Hunting Ground Trail

1948—Papooses plenty lost. Hidden under stacks of books. Wander around the wide open spaces of new corn land called Millcreek.

1949—Papooses get brand new lodge. Act very big and have two skating pow-wows, give out with a big war whoop called "Christmas at Barney McGee's."

1950—Four plenty brave papooses start game of leader. First papoose, Don Godfrey, Second papoose, Bill Scott, Squaw who write, Donna Kallenbach, Papoose in charge of wampum, Don Hunter.

1951—Papooses now in main lodge, Millcreek High School. This year's war whoop entitled "Leeve it to Peggy!". Little by little, this year led by Jean Lloyd, Bill Scott, Joan Waidley, and Brad Hindson, papooses organize war parties and learn to use weapons—basketballs and football. Little squaws learn to sing. Take care of hatchets and headdress at Christmas Festival.

1952—This last lap till we are qualified braves. Top redmen on totum pole are Jim Van Geem, Wallace Weise, Cynthia Norton, and Gert Loomis. This year's war whoop heap big success called "Ever Since Eve." This last year for Big Chief Goodrich, him go to foreign land called Florida. New chief for time when us big braves. We give a powerful big and beautiful ceremonial dance for brother braves who leave to go away into the world. Heap plenty sad to see 'um go.

1953—This year Chief with many feathers is Jim Van Geem. Chief's helper, Bette Smith, Squaw Gwen Shaw in charge of tom-tom in big peace meetings, and Squaw Gert Loomis in charge of wampum.

Last signpost, and we big, powerful braves. This year plenty busy. We serve up brew for football game. Annual war whoop called "Brother Goose." We have party for almost braves at teepee Youth Center. We sponsor night at heap big Tent Playhouse. We celebrate big Festival of "St. Pat" with a powerful war dance and our own big chief, Jim Van Geem, and big squaw, Gert Loomis, sit on ancient ancestral throne. Warriors go on many hunting parties this year. Almost-heap-big-braves give us a big farewell dance

These are the signposts we have by-passed in our big hunt together. We have made many lasting warrior friends and have learned many hunting methods. We now leave the shelter of our big teepee to use these hunting methods as we travel our separate trails.

1953 Kaldron Staff

Above are pictured the creators and designers of the 1953 Kaldron. Through the efforts of these students, with the unfailing and helpful aid of the advisors, Mrs. Hirt and Mr. Korrell, the yearbook was compiled and distributed to the students of Millcreek High. The never-ending tasks kept the staff members busy, but they overcame the many production difficulties and produced a book of which to be proud.

Let us follow the birth of such a book. The photography staff is the first to begin functioning, with the taking of underclass and activity pictures by the photographers. The glossy prints are placed on large sheets of cardboard and delivered to the engravers. When these are made into prints, they are pasted in the "dummy." The "dummy" copy is the layout of the entire yearbook, set to a certain scale, which is essential in the composing of the finished product.

Exciting sports events, club activities, and all the other printed copy used in the book is then written and rewritten by the literary staff and typed for the printer by the production crew. The hard-working and eager ad staff members then begin their rounds for advertisers, a very important part of the yearbook. The subscription campaign then launches into full swing, with the sale this year of over 500 copies of the Kaldron. The entire book is tied together by the art staff, who create the layout and the division pages, and have charge of the "dummy" copy from the first drafting to the last finishing touches. The busy editor supervises and aids the all over production and the book is kept financially in the black by the business managers. These workers have gained valuable training in working together and meeting "deadlines." They have created the yearbook for you, as a memory of the happy days at MHS.

Seated, l. to r.—J. Waidley, D. Hester, C. Norton, R. Prozan, B. Smith, P. Morrow.

Standing, l. to r.—D. Kallenbach, T. Altman, J. Pinckney, J. Cross, B. Angelotti, C. Evans, C. Gilmore, J. Boyd.

Sophomores

The greatest accomplishment of the Sophomore Class has been an attempt to standardize class rings. A Variety Show sponsored by the tenth grade assembly committee was an excellent show case for many outstanding Sophomore talents. With two years of high school successfully completed, we may be sure that these students will live up to all which is expected of them.

The Hula Luau, a dance held in the school gym was the main event on the 9th grade social calendar. A class picnic was slated at the windup of a year full of vigorous participation in many extra-curricular activities.

8th GRADE OFFICERS

Eighth Grade

For the first time in Millcreek's history, the 8th grade has been an officially organized class. Two skating parties at the West Lake Roller Rink provided much enjoyment for the students. A Lincoln Day assembly program was planned and drew entirely on 8th grade talent. They were instrumental in organizing an Annex Chess Club which met during lunch period and in the morning. These ambitious 8th graders will be a welcome addition to the high school in future years.

Seventh Grade

From six area grade schools nearly 278 seventh graders found their way to the halls of the Millcreek annex in the fall of 1952. After six years of elementary schooling, they were prepared to assume the rather perplexing responsibility of being high school students. The 7th graders took full advantage of the new facilities available and contributed their many abilities to the Junior Y-Teens, Junior Band, Junior Orchestra and Boys' Soprano Choir. At Christmas the class presented an assembly program featuring holiday music. George Washington was honored at an assembly commemorating his birthday. The Rhythm Club, held during activity period, taught these new Millcreekites modern dance steps and correct dance-floor behavior. The progressive group may be confident that their future years at Millcreek will be successful ones.

The Band this year consisted of sixty-five members under the direction of Mr. Rishell and twenty-four majorettes and flag twirlers under the direction of Miss Mitchell. This was the largest band in the history of the school.

This marching band was complimented on its fine appearances both at Titusville and Greenville. Three buses were used to transport the Band members to these schools.

The officers for the Band were: President, Paul Moore; Vice-President, Gilbert Keinath; Secretary and Treasurer, Janet Woodward.

Directed by Mr. Rishell, the Orchestra, has grown to forty-five players. This group played for the Junior and Senior Play, the Spring Concert, and Commencement. As many have seen, the Orchestra has made rapid progress in the past few years.

The officers for the Orchestra for 1952-53 were: President, Evelyn Middaugh, Vice-President, Donald Thaler; Secretary, Carole Gilmore; Treasurer, Paul Suerken.

A Cappella

One of the most active and "in demand" groups of Millcreek is the Acappella Choir, under the direction of Mrs. Phasey. The rich blending of voices in harmony and melody can be heard from Room Four every second period. The Chorus has been an enjoyable addition to many an assembly program, presenting programs in other schools as well as our own. Jim Cross, Cynthia Norton, Donna Kallenbach, and Faye Norwall were the officers for the aggregation. The Acappella made their debut over television on the "Design for Youth" program this year. They also provided an evening of entertainment for the Millcreek Kiwanis Club, The Erie Business and Professional Women's Club, and the Millcreek PTA.

The operetta, "The Fortune Teller," by Victor Herbert, was presented in early May for three evening performances. This production is always a much-looked-for event and proved another success this year. This spring also found five people representing Millcreek at the District Chorus held in Wesleyville. They were: Ruth Edeen, Joan Waidley, Don Godfrey, Jim Cross, and Tom Russell.

The popular male Double Quartette added to many a program given by the Acappella. Don Godfrey and Jim Cross, basses, John Tubbs and Jim Van Geem, baritones, Bob Jackson and Tom Russell, 2nd tenors, and Ray MacDonald and Paul Schwartz, 1st tenors, were the components of this group.

A new edition to choruses at Millcreek is the Boys' Soprano Choir, composed of 7th, 8th, and 9th graders. This group is receiving valuable training for the future.

Girls Chorus

Lovely to look at in their blouses and jumpers, the Girls Chorus is just as lovely to hear. Strains of "With a Song In My Heart," "My Hero," "The Beauty Shop Quartette," and many others drift from Room Four every fifth period, providing an enjoyable forty-five minutes of song. Also a group which enjoys great popularity among outsiders as well as here at Millcreek, the Girls Chorus have traveled to Harborecreek with the Acappella in an exchange program and they have sung for the BPW and the Montclair PTA.

Eileen Hagmann led this group and she was assisted by Virginia Conner, Mary Kay Hall, and Carole Thiemann. A publicity staff was also selected to arrange programs and handle the advertising for these girls. One of their activities this year was a very successful hayride.

Student Council

Through the Student Council the students are able to voice their opinions and give suggestions to the administration on problems concerning the student body and the school. If you were to attend one of the Student Council meetings, you would hear the discussion of such problems.

This is not the only duty of the Student Council. They have, under the able sponsorship of Mr. Barr, effectively planned and carried out the hall monitor system that is at present in operation in the school, they have ushered for the P.T.A., Open House, and Career Night. This year they also made changes in their constitution. This active organization is now in the process of planning a Hand Book of the new high school.

The officers of the Student Council for this year were: President, Don Godfrey; Vice-President, Tom Rogerson; Secretary, Kay Prindle; Treasurer, Gilbert Keinath.

Hub

Boasting fifty aspiring young journalists, this years' Hub, the official newspaper by the students and for the students of Millcreek High, grew to a circulation of approximately 850 copies per issue. Published bi-monthly throughout the school year, the newspaper is a spark plug in our everyday school life, covering all the sporting events and club news, with many added special features, and supporting and sponsoring many activities outside of school.

Eight point type, which is a smaller type of print than employed in last year's newspaper, was initiated into the Hub this year, providing added space for more copy and more for your money, the six-page paper still selling for five cents a copy. The special insert sheet, containing junior and senior high gossip, was again a popular feature of the Hub. Many different colors were used for this sheet, such as harvest yellow for Halloween, green for December, and blue, our school color.

A contest, sponsored in conjunction with the Library Club, was conducted beginning Book Week, fashioned after the Twins contest in an Erie newspaper.

The victory of President Eisenhower was predicted by the Republicans of Millcreek in a straw vote conducted by the Hub the week before the country went to the polls. A busload of enthusiastic sports fans traveled to Conneaut to witness the defeat of the Trojans from Conneaut by the Trojans from Millcreek under the auspices of the student newspaper, and during football season they held a dance after the Oil City game. The striking blue and white school pennants adorning many a students room and displayed on sticks at basketball games were another project of the ambitious group. A sizeable contribution to the Easter seal campaign was made from the proceeds of the Hub charity basketball game in March. Two games, between game entertainment, and a dance afterwards were all provided for only 25c.

The co-editors of this bubbling tribe of writers were Travis Altman and, Catherine Evans, and Miss Winder guided the students in their work.

12th, 10th, 9th Grade Y-Teens

Working with girls from all over the world, the Y-Teens of Millcreek are striving for the betterment of oneself, the community, and the world. The senior Y-Teens accomplish a part through their many service projects, which this year were making Christmas favors for area homes, sending candy bars to Europe, and selling Christmas seals.

Under president Jeanne Lloyd, and Miss Johnson, club advisor, the Senior club sponsored a discojockey dance, a Christmas dance, a splash party, a Mother-Daughter tea, and in conjunction with other schools, planned the popular spring Tri.

Debate

The topic for Debate this year was, "Resolve that the Atlantic Pact Nations should form a federal union." Under the direction of Mrs. Long the Debate Team had a very successful year.

The Debaters attended the annual Debating Tournament held at Allegheny, College, Meadville, in April. They also sent members to the Lake Erie Debate League Banquet. Members of the teams that Millcreek debates during the year also attend this banquet. The Debater with the highest number of points from each school represents his school in the debate at the banquet. Here the most outstanding Debater receives the annual Debating Award.

The affirmative team consisted of Peggy Moore, Jeanne McKibben, and Dick Rowley. Brad Hindson, Jean Boyd, and Don Hester supported the negative team. Those students who received letters this year were: Brad Hindson, Dick Rowley, Jean Boyd and Don Hester.

Officers for the Debate Club were: President; Dick Rowley, Secretary, Peggy Moore; and Treasurer, Don Hester.

Future Farmers of America

The Future Farmers of America, or F.F.A., as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Act.

This year thirty-four Millcreek High F.F.A. boys, under the leadership of Mr. Payne, attended the State Convention at Harrisburg. A Greyhound bus was chartered for this event. While at the Convention in Harrisburg the boys also attended a farm show.

Here in the community the boys pruned trees and shrubs. They also planted two acres of tomatoes as a means of raising money and gaining experience. There were also entries from Millcreek in the State Judging contest held at Penn State College this June.

These boys are very active socially. During the year they have sponsored a Square Dance, Hay Ride, and a Parent and Son Banquet.

The officers for the F.F.A. for 1952-53 were: President, Wilber Rastatter, Vice-President, Roy Waldemarson; Secretary, Tom Curtiss; Treasurer, Louis Haas; Chaplain, George McKinley; Watch Dogs, Bob DeHaven and Stuart Heimburg; Reporter, Ray Payne.

Future Homemakers of America

The Future Homemakers of America under the direction of Miss Foy has been a very active organization during the past year. To keep a record of their projects for the year the girls keep a scrapbook. Joan Percy is the chairman of the scrapbook committee. There is also a Ways and Means Committee. Nancy Rastatter and Winnie West are in charge of this committee. Their job is to plan the calendar for the year.

Janet Steinmiller was Millcreek's F.H.A. Queen at the livestock show and Nancy Rastatter was entered in the Apple-Pan-Dowdy contest. The winner of the Cherry Pie contest at Millcreek was Jane Schlosser and she also represented Millcreek in the state contest. A number of the girls also attended the F. H. A. State Convention at Harrisburg.

One of their social functions was a Mother and Daughter Banquet held on March 17.

The officers of the F.H.A. this year were: President, Jane Lindy; Vice-President, Judy Thunberg; Secretary, Jane Schlosser; Treasurer, Carol Wickles.

Sports

Football

This is a tribute and a handshake to the boys who have played their last game in a Trojan uniform. Never again will they know the electric thrill of competition under the lights on a crisp, clear night. As they miss these nights, so shall we miss them.

We shall miss the talented arm of Jack DeBold as well as his running. Catching his passes were Don Godfrey, who was also a rugged defensive end, Don Hester, who would never quit, and Joe Fickenworth, who was always dependable. Buster Haney helped with the passing chores and ran the ball as well as calling signals. The opposition will long remember our bruising fullback, Jim "toothless" Cross. In the middle of the line, the dirty work was shared by Dave "Stonewall" Renshaw, Red Adelhart and Joe Spusta. Completing our bulwark line were our two tackles, Bill Angelotti and Brad Hindson.

Mention of the 1953 team would not be complete without saying thanks to the coaches, Paul Goll and Dave Long, who contributed in a large way to the success of the team.

Millcreek 0 — East 0

An underdog Millcreek team fought to an impressive stalemate with the Warriors from East High at Millcreek in the season opener. The Trojans threatened several times but the big East line held their ground deep in East territory.

Millcreek 19 — Titusville 18

A pass from Haney to Wander scoring the only extra point of the game provided the margin of victory in a thrilling see-saw contest. Fiddler scored the first touchdown on a pass from Rogerson followed by DeBold's buck for a touchdown. Mitchell set the stage for the all-important extra point by taking an aerial from Haney and racing to paydirt.

Millcreek 0 — Corry 41

After being pushed around early in the game the Beavers from Corry settled down to rout the Blue and White. Oddly enough the Trojans held a first down margin of 11 to 10.

Millcreek 27 — North East 13

The Trojans waited until the second half before smashing the game wide open. Millcreek scored twice on passes from Haney to Mitchell followed by a 25-yard run by Cross. DeBold tallied the clincher to give Millcreek its second win of the season.

Millcreek 9 — Girard 12

Two desperation touchdown passes gave Girard the victory after the Trojans had apparently sewed up the game. Weed caught a Girard back behind their goal to score a safety and Fiddler recovered a fumble for a touchdown with Haney passing to Mitchell for the extra point. DeBold sat out the entire second half with a head injury which hurt the Trojans' chances considerably.

Millcreek 0 — Greenville 47

After being held to a 7-0 halftime lead the unbeaten Greenville team turned on the power to hand the Trojans their worst defeat of the season.

Millcreek 13 — Oil City 20

Waiting until late in the fourth period the Trojans suddenly came to life as Fiddler caught two passes for touchdowns. Bischoff took a handoff to score the extra point but the Oilers clung on to their slim lead to keep a slim victory.

Millcreek 33 — Harborcreek 6

Millcreek enjoyed their best night of the season as they rolled to an easy win over the hard-luck Huskies. Scoring for the Trojans were Rogerson, who scampered 70 yards on a quarterback sneak, Weed, who picked up a Harborcreek fumble, Mitchell, who raced 61 yards, and Fiddler, who tallied twice on two passes from DeBold.

Millcreek 13 — Vincent 26

In the season's final game a huge Vincent team carried too many guns for a small but scrappy Millcreek eleven. A pass play covering 70 yards from DeBold to Mitchell gave Millcreek the ball on Vincent's 1 yard line seconds after the opening whistle. Mitch scored, followed later by Haney's touchdown to complete Millcreek's scoring.

The J.V.'s completed a highly successful season, finishing undefeated in six contests. Coaches Jack Henning and Bud McCoy can be justly proud of their efforts in molding a powerful fighting machine which rolled up six victories. Scoring kingpin was Dan Gorr, who scored 14 touchdowns to lead the little Trojans in the win parade.

Basketball

Meeting the powerful teams of Erie proved too much for the Trojans as they conquered only Vincent in Big Six play. With no regulars from last year's team returning, Coach Naz Servideo's team was picked from a handful of reserves and J.V.'s who fought hard but lacked the necessary experience to defeat the veteran Erie cage squads.

Highlights of the season were two victories over Vincent and a 34-26 decision over Conneaut. The Blue and White put up terrific fights in games with Prep, Academy, East, and Titusville before being edged out in the final minutes.

Looking at the players who made up the team we see three seniors, Bob, Bus, and Jim supplemented by five juniors, Al, Hun, Mitch, Johnny and Ken. The juniors can look forward to next year but for the three seniors it is now or never.

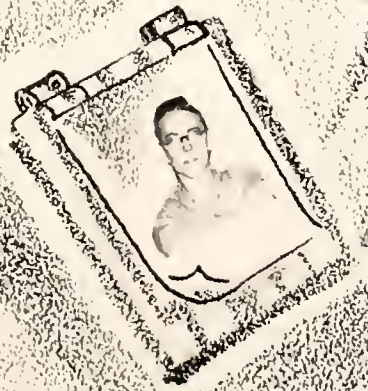

Bus has the ball; he's set, and he swishes a beautiful two-handed set shot . . . now Millcreek's got the ball again and Jim fakes his man and scores on a one-handed jump shot . . . there's Bob stealing a pass and racing the length of the floor to drop in a layup.

Reinstating baseball into the athletic program at Millcreek after a lapse of several years proved successful as the Blue and White went undefeated in independent play with city and county teams in 1952. Coach Dave Long's 1953 squad includes the following players from last year's champs: Dick Mitchell, Hun Fiddler, Tom Mitchell, Chuck Catalde, Jim Maloney, Rich Sands, Jack Strott, Mike Wander, Pete Agnello, and Dale Zerull.

Top Row l. to r.—P. Goll, D. Mosher, J. Loomis, R. Myers, P. Shield, C. Merchant.

Bottom Row l to r.—B. Bainbridge, D. Rowley, C. Bainbridge, D. Renshaw, E. Van Zandt.

Golf

Again this year Millcreek's golf team scored an undefeated season. This record was compiled playing against both city and county teams.

This year Coach Paul Goll relied upon Dick Rowley, Chuck Bainbridge and Bob Bainbridge to form an experienced nucleus for the team.

This year the Trojans brought to Millcreek the District 10 golf crown and trophy. As a result of this accomplishment three of the four who qualified for the State Tournament were from Millcreek. We are proud of their fine showing.

Varsity Club

This year a Varsity Club was organized at Millcreek. This is a new venture and has never before been tried in our school.

The club was organized by Mr. Goll. The work in organizing this club involved a great deal of time and effort. We thank Paul Goll for his untiring spirit and everlasting interest in our activities.

This Club was formed for two purposes. First, to present to graduating seniors, who have participated in a sport two years, an attractive blue and white jacket. Second, to promote an all-around better and more varied athletic program to the entire school.

Two things already accomplished by the Club are an intramural sports program now in existence, and eleven seniors were presented with jackets this past year.
